A financial close out date (also called termination date) has been applied within the GSA Financial System. However, please note that one final billing may result if any financial close-out activity was processed after the cut off date of the most recent billing cycle - the attached "RWA Close-Out Letter" will indicate if any such amount is still owed. Please review and document for your records the attached PDF copy of the GSA Form 2957 and the “RWA Close-Out” Letter. Should there be an issue or concern, please contact your GSA Representative immediately.
